

California Loop: Coast, Concrete & Conifers

Log: Feb 7 – Feb 10 (4 Days), 2026

Vector: Bay Area → Monterey → Los Angeles → Sequoia → Berkeley

Pre-Departure Protocol

Essentials & Logistics

- Provisions:** Stock the trunk with water, easy snacks, and emergency meals.
- Thermal Regulation:** Heavy down jacket required. The transition from LA sun to Sequoia snow is drastic.
- Hydro-Logic:**
 - *Monterey:* Pristine water. Pack swimwear (if you can brave the cold).
 - *Santa Monica:* Avoid the water (turbid/touristy); stick to the pier.
- Offline Mode:** Sequoia has zero signal. Download Google Maps for the area beforehand.
- Vehicle Health:** Check tire pressure, oil levels, and wiper fluid.

- Power:** Cold weather drains batteries. Bring car chargers and external power banks.
-

Day 1: The Valley & The Bay

Focus: *Stanford, Tech Giants, and the Pacific Coast*

- **08:00 | Logistics**
 - Bus to Albany for vehicle pickup. Wheels rolling.
 - **11:00 | "The Farm"**
 - **Stanford University:** Walking tour of the Main Quad, Hoover Tower, and Memorial Church.
 - **15:00 | Industry Check**
 - **Google Visitor Experience:** Quick stop at the HQ.
 - **Apple Park Visitor Center:** Coffee and architecture. Book Vision Pro at least 2 days earlier!
 - **16:30 | Pacific Coast Highway (PCH)**
 - Southbound drive catching the golden hour along the cliffs.
 - **19:00 | Monterey Basecamp**
 - Dinner and a stroll down **Cannery Row**. Check-in at the motel.
-

Day 2: Marine Layers to City Lights

Focus: *Coastal Ecology & La La Land*

- **09:00 | 17-Mile Drive**
 - Scenic loop. The Lone Cypress and Pebble Beach.
- **11:30 | Marine Life**
 - **Monterey Bay Aquarium:** Exploring the kelp forest exhibits.
- **13:00 | The Long Haul**
 - Drive south to Los Angeles.
 - Experience In-N-Out DriveThrough along the road.
- **19:00 | Griffith Observatory**
